**Calendar Notes:**

**Inclement Weather and Emergency School Closings**

This calendar has four days built in at the end of the school year for emergency closings, making the school year 184 student days and 195 teacher days. If any of the four emergency days are not used, they shall be deducted from the June closing date. Additional emergency closings shall be made up as follows:

- Additional emergency closing days will be made up by adding on days to the June closing date.
- If emergency closings fall on January testing days or the teacher workdays, secondary schools will reschedule so that there are four consecutive testing days followed by two teacher workdays. This scheduling affects all schools.

**Semester Tests and Examinations**

Extracurricular activities, practices, and club activities shall be scheduled at the end of the regular school day for not more than 90 minutes on the evening prior to the day of semester tests and examinations for high schools.

**Religious Observances**

Tests and examinations will not be scheduled on the day of a major religious observance including: Lunar New Year – February 7 and Passover -April 21. Tests and examinations for evening high school will not be scheduled on the day a religious observance begins. Jewish holiday dates are set according to the Hebrew Lunar calendar; they begin at sundown on the preceding evening and conclude at sundown on the dates noted.

**Appropriate Exercises**

Schools shall devote a portion of the day to appropriate exercises on the following dates: Columbus Day - October 12; Veterans' Day – November 11; Martin Luther King Jr. Birthday – January 21; Lincoln's Birthday – February 12; Washington's Birthday – February 22; Arbor Month - April; Memorial Day – May 30; and any other day of national significance. When schools are closed, appropriate exercises should be held on the preceding Friday.
